OKLAHOMA VETERANS MEMORIAL

Located in Woodland Park, the Shawnee Veterans Memorial is a tribute to the men and women who have made the ultimate sacrifice for American freedom. The layout of the memorial is patterned after a five-point star with each point representing a branch of the military. A 1965 Huey helicopter is one of the most recognizable wartime helicopters, and is proudly mounted above the memorial. The most recent addition to the park is a ten-panel granite wall which is inscribed with the names of every known Oklahoman killed in action since the Spanish-American War.

Just south of Highland Street on Broadway Avenue.
